Basket Ball

Indoor Winter Sport—Norway High vs. Alumni

Norway high school opened the season Friday evening at the gymnasium with a merry race against a galaxy of former stars known as ex-alumni. The high school won with a score 25-13 in four ten minute periods.

Thirteen players striving for the first string berth were allowed to do their stuff by Coach James Cole with the freshmen worked nine in the shifting lineup.

Baskets from the floor were not common practice for the alumni eager to show off, but on the foul line they had more success and cleaned up six points. The high school tossers dropped in eleven fingers despite a stiff interference from ex-champs.

The high school girls' team will probably not compete this season with a sportsman team than that of the alumnae, last Friday night. Composed entirely of former basket ball stars, and quite capable of well systematized pass work, it was no great wonder that the group came away somewhat overpowered, the score being 43 to 22. Under previous agreement the alumnae were not removed for fouling in substitutes, and this time they were fortunate in the fact that the high school team, the score would have been closer.

Three new members were brought into play on the high school team; Alvin, Fred and Bucknell Pratt, who each showed promise in the game. Line-up:

WRIGHT-STONE MANOR INN REPORTED SOLD

Dr. George Anderson, a Portland dentist, has bought the Wright-Stone Manor property on the Greenwood road according to reports. The stone residence, which stands camp and about 100 acres of land, is owned by H. B. Wright Realty Co., but the mortgages on the property were sold recently to Dr. A. W. Easton and J. E. Shepard of Norway. As the negotiations for the purchase have been completed Friday, the mortgages have not as yet been informed of the transaction.

Herbert B. Wright of New York bought the property in 1924, it being known as the Elmer Dunn farm and that year he built a cottage on the shore of Lake Umbagog. The old farm buildings were torn down during the summer. A new stone house was erected on the site and during 1928-30 the place was open to the public under the name Wright-Stone Manor Inn.

Mrs. Thomas Huston of Portland is spending two weeks with her parents, Mr. and Mrs. Stephen H. Cummings, while Mr. Huston is on business trip to Missouri and the South. Saturday afternoon she entertained a few friends for luncheon and called for evening tea. The guests included Mrs. Stephen O. Jefferson, Mrs. Leroy C. Luce, Mrs. Charles F. Cummings, Mrs. Stephen J. Cummings, Mrs. Wilbur Knight, Jr. of Norway, Mrs. Frederick Knight, Jr. of West Paris, Mrs. Leslie L. Mason and Mrs. Donald K. Mason of South Paris.

Bertrand G. McIntire, governor elect of the New England District of Kiwanis, left Tuesday morning for three days trip in Massachusetts. Tuesday evening he attended "charter night" exercises of the Belmont Kiwanis Club. Wednesday morning at 10 o'clock he went to breakfast with the Lieutenant governors-elect of the nine districts of New England, in Boston for several hours conference in connection with their work for the coming year. Wednesday evening he gave a reception given in his honor at the Everett, Mass., club, where "Ladies' Night" was observed and Mr. McIntire was the speaker.

The evening.

A meeting of the Norway unit of the Southern Oxford Red Cross Chapter was held at the Municipal Court room, Monday evening for the December report.

A report was made of the work done for Thanksgiving, among the families needing assistance. A report was made also of articles needed in the way of clothing, especially for children. Present knowledge of these cases caused to notify Mrs. Elton L. Brown, and any articles can be sent with her, or at the Sweet shoe store.

The ladies are planning to meet and make ornaments as fast as they can to help the needy people.

The membership drive has been very satisfactory and to date numbers 235 with one more thing will be reported. The next meeting will be held the first Monday evening in January.
